

EMBASSY OF THE REPUBLIC OF ARMENIA
AMBASSADE DE LA RÉPUBLIQUE D'ARMÉNIE
Ottawa

To the Armenia-Canada Chamber of Commerce

Dear friends,

On behalf of the Embassy of the Republic of Armenia in Canada I would like to extend my sincere congratulations to the Armenia – Canada Chamber of Commerce (ACCC) on its successful establishment in Canada.

The ACCC is aimed at increasing investment plans towards Armenia. I am happy that you were able to establish suitable relations with both the Armenian and the Canadian governments in the way discussed during the visit of Dr. Vahram Nercissyants', the Chief Advisory to the President of the Republic of Armenia, to Canada.

Armenia is interested in developing the economic and social relations with Canada by increasing the Canadian investments in Armenia, and by presenting in new ways the potential of the Armenian market and opportunities to Canadians. I am confident that your organization will provide proper services to your members, as well as all Armenian and Canadian entities.

We support the plans and activities of the ACCC related to the involvement of Canadian entities and individuals in the Armenian market and introducing the Canadian market and opportunities to the Armenian business community and services.

The Embassy will be happy to support all of your activities. We strongly believe in the impact of your organization in the development of economic relations between the Republic of Armenia and Canada.

Sincerely,

Arman Akopian
Minister-Counsellor,
Chargé d'Affaires of the Republic of Armenia in Canada
